GIN

BACK TO THE ROOTS

In der sumpfigen Hitze Indiens tranken britische Kolonialtruppen in Soda gelöstes Chinin, um Malaria vorzubeugen.
Dieser bitteren Medikation setzten sie Zucker, Zitrone und Gin zu 3 wohl aufgrund der Bekömmlichkeit und des Geschmacks.
Der Gin Tonic war geboren. Seit Beginn des dritten Jahrtausends erlebt der wohl zeitloseste aller Longdrinks seine Renaissance.
Erkunden Sie unser vielseitiges Sortiment.

In the muggy heat of India, British colonial troops drank quinine dissolved in soda to prevent malaria.
They added sugar, lemon, and gin to this bitter medication 3 probably for convenience and taste. And so the gin and tonic was born.
Since the beginning of the third millennium, the most timeless of all long drinks has been experiencing a renaissance.
Explore our versatile range.
